HydraSmart

HIGH EFFICIENCY FOLIARS

Spray Adjuvant and Tank Buffer

Entré is a multi-function spray adjuvant designed as a penetrant, drift control agent, deposition aid, and spray tank buffer.

PRINCIPLE FUNCTIONING AGENTS:

Proprietary blend of propionic acid, alcohol ethoxylates, and lecithin ... 80%
Inert Ingredients 20.0%

DANGER - Do not get in eyes or on clothing. Causes eye damage and skin burns. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

Density: 8.64 lbs/Gallon @ 68°F

Net Contents: 2.5 Gallons (9.46L)

Net Weight: 21.6 lbs (9.80kg)

CAUTION: KEEP OUT OF REACH OF CHILDREN.

ENTRÉ

GENERAL INFORMATION: ENTRÉ is an adjuvant for systemic chemistries. It is designed to buffer the spray tank while enhancing pesticide uptake, penetration, and on-target deposition.

DIRECTIONS FOR USE: apply 1 to 4 pints per 100 gallons of spray solution. For deposition aid effects only, apply 1 – 2 quarts per 100 gallons of spray solution. As a tank buffer, add 8-16 ounces per 100 gallons of water for highly alkaline water (pH 8 and up) and 4-8 ounces per 100 gallons of water for mildly alkaline water (pH 7.1 to 8).

Aquatics: 1 to 4 pints per 100 gallons (1 to 3 fl. oz. per 5 gallons)

Tank Mixing: ENTRÉ may be tank mixed with other commonly used turf chemicals and fertilizers. If applicator is unfamiliar with the performance of this product in tank mixes under user's growing conditions, ENTRÉ should be tested prior to large-scale application. The applicator should always exercise judgment and caution when using this and all other turf products. Always conduct a jar test when tank mixing ENTRÉ with other inputs when the compatibility is unknown.

PRECAUTIONARY STATEMENTS:

DANGER - Do not get in eyes or on clothing. Causes eye damage and skin burns. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse. **Personal Protective Equipment:** Wear chemical resistant gloves, eye & face protection, long-sleeved shirt and long pants, and shoes plus socks.

FIRST AID: Call a poison control center or doctor immediately for treatment advice. Have the product container with you when calling a poison control center or doctor, or going for treatment. **If Swallowed:** Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. **If on Skin or Clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. **If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then

give artificial respiration, preferable mouth to mouth if possible. **If in Eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses if present, after the first 5 minutes, then continue to rinse eyes.

STORAGE: Store in a cool, dry place. Store in original container only. Do not add anything to the container. Keep container tightly sealed when not in use. Do not store near fire, flame or other potential sources of ignition.

DISPOSAL: Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best method of disposing containers if allowed by law. The Agriculture Recycling Container Counsel (ACRC) operates the national recycling center program. To contact your state and local ACRC visit the ACRC website at www.acrecycle.org. Decontaminated containers and materials must be disposed of in a manner allowed by local, state and federal laws and regulations

WARRANTY STATEMENT: HydraSmart represents and warrants that its products are manufactured in accordance with the products specification and that its products at the time of delivery to the purchaser shall be free from all material defects HydraSmart makes no warranty of any kind, expressed or implied, concerning the product, including but not limited to the implied warranties, merchantability, and fitness for a particular purpose are disclaimed.
